Suggested Alternates

- Arriving from within the US
 - Spokane (KGEG)
 - Boeing Field (KBFI)
- Arriving from within Canada
 - Kamloops (CYKA)
 - Note: CYKA is a Flight Options Special Use airport and a Heads Up Airport
 - Vancouver (CYVR)

Note: Due to customs considerations it may be necessary to return to the flight's country of origin if diversion to an alternate becomes necessary

This information is advisory in nature. Crews should consult Flight Options SOPs, current airport charts and current NOTAMS for the most up to date information.
